## ASP.NET MVC Project DOCUMENTATION

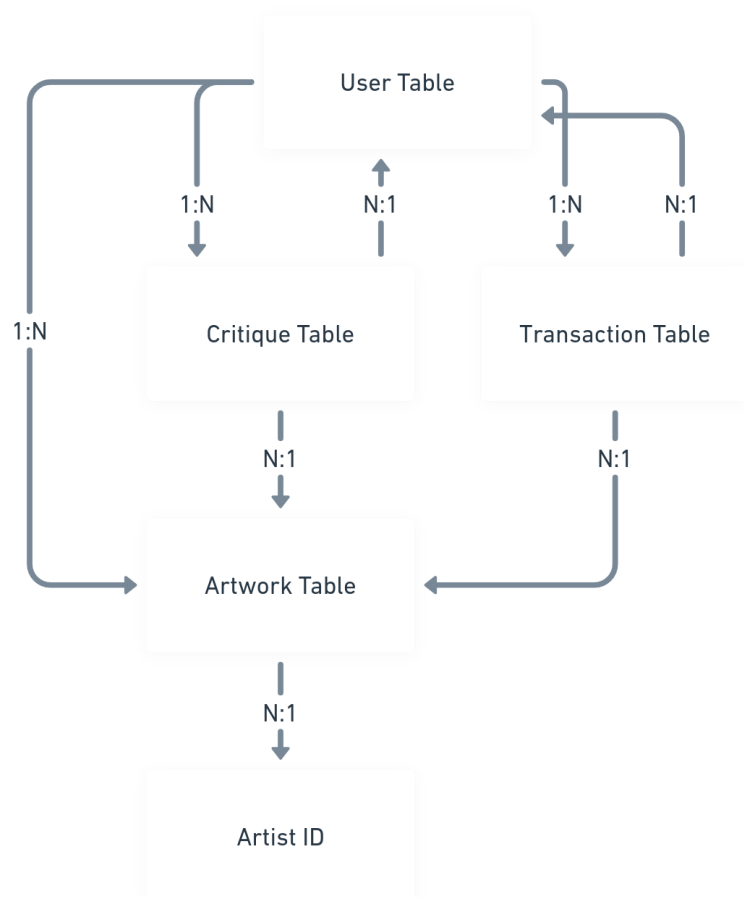

### Overview

"Artist Says" is a web application designed for artists to showcase their artwork, provide critiques to fellow artists, and improve collectively. The platform also includes a marketplace where users can book and purchase art pieces using a unique ID associated with each artwork.

### Objectives

- Provide a platform for artists to display their creativity and receive constructive feedback.
- Facilitate a review and critique system for artwork improvement.
- Enable artists to maintain a profile and manage their portfolio.
- Create a marketplace for art enthusiasts to book and purchase artwork.
- User authentication and profile management.
- Artwork gallery view and detailed critiques.
- A marketplace for booking and purchasing art.
- Admin management of users, critiques, and marketplace activities.

ALL THE PAGES WITH INPUT SAMPLE DATA :

### AUTHENTICATON SIGNIN/SIGNUP PAGE

A screenshot of a web browser displaying the 'ArtistSays' Sign In page. The browser's address bar shows 'https://localhost:44390/Home/SignIn'. The page has a dark theme with a black background. At the top, there is a dark header with the 'ArtistSays' logo on the left. In the center, a light gray rounded rectangle contains the 'Sign In' form. The form has a title 'Sign In' in red, followed by 'Username:' and a text input field, 'Password:' and a password input field, and a red 'Sign In' button. Below the button, it says 'Don't have an account? [Sign Up](#)'.

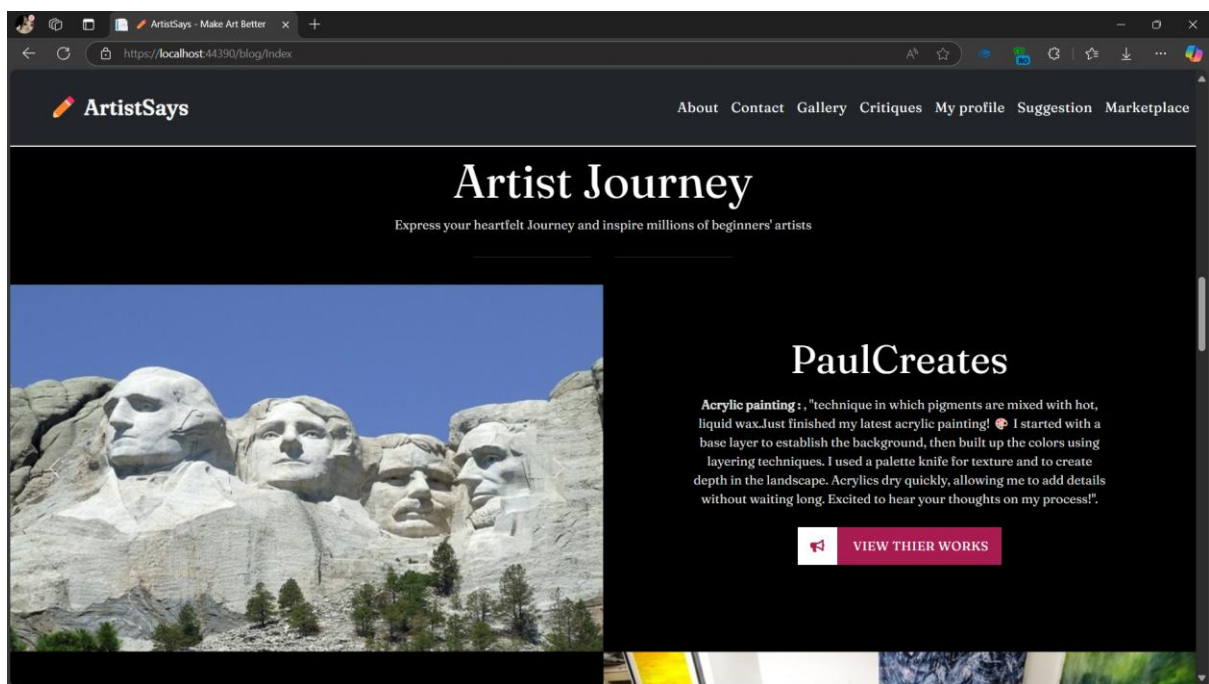

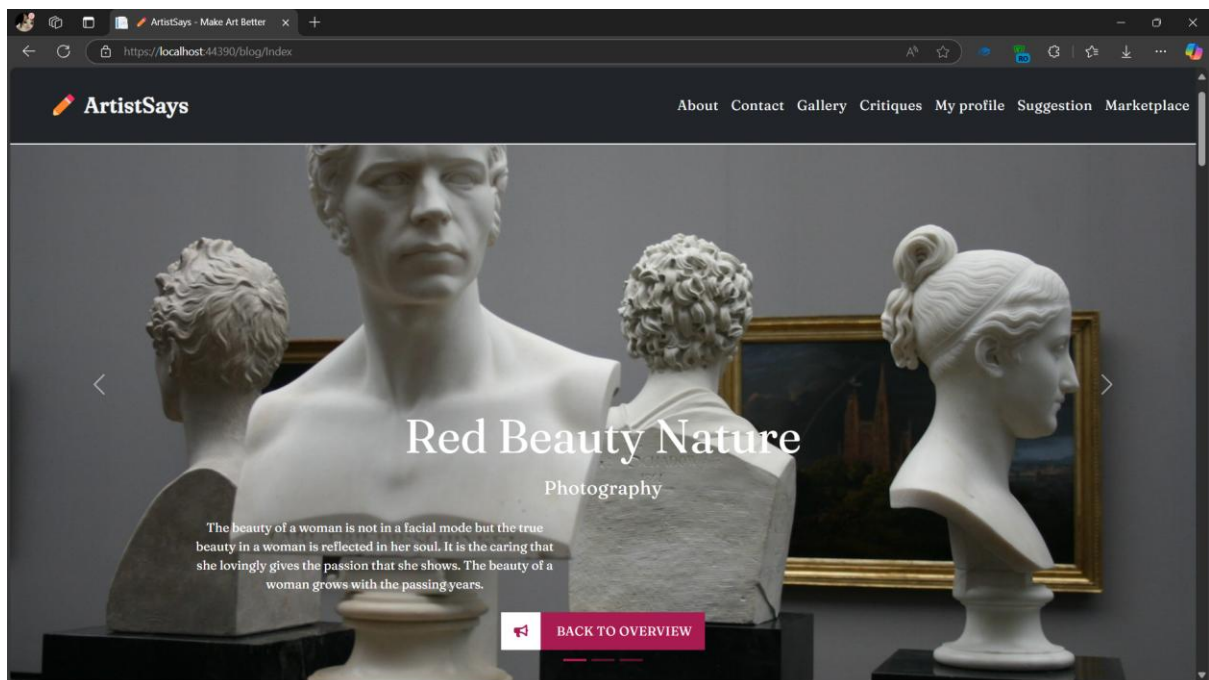

A screenshot of the same 'ArtistSays' Sign In page, but with sample data entered into the form fields. The 'Username' field contains 'ssss' and the 'Password' field contains '\*\*\*\*'. The 'Sign In' button is still red, and the 'Don't have an account? [Sign Up](#)' link is still present at the bottom of the form.

## ASP.NET MVC Project DOCUMENTATION

The screenshot shows a web browser window with the URL `https://localhost:44390/blog/Suggestion`. The page has a dark theme with a purple header. The header contains the 'ArtistSays' logo and navigation links: 'About', 'Contact', 'Gallery', 'Critiques', 'My profile', 'Suggestion', and 'Marketplace'. The main content area is titled 'Suggestion Form' and includes a welcome message: 'Welcome to the Suggestion Page At ArtistSays, we value your voice as much as your artistry. This is the space where you can shape the future of our platform by sharing ideas, offering feedback, and suggesting ways to enhance the artistic experience for everyone.' Below the message is a form with three input fields: 'Name:', 'Email:', and 'Suggestion:'. The 'Email' field has a placeholder 'Enter your email'. A purple 'Submit' button is at the bottom of the form. Below the form is a table with four columns: 'Name', 'Email', 'Suggestion', and 'Actions'.

Name	Email	Suggestion	Actions
------	-------	------------	---------

create

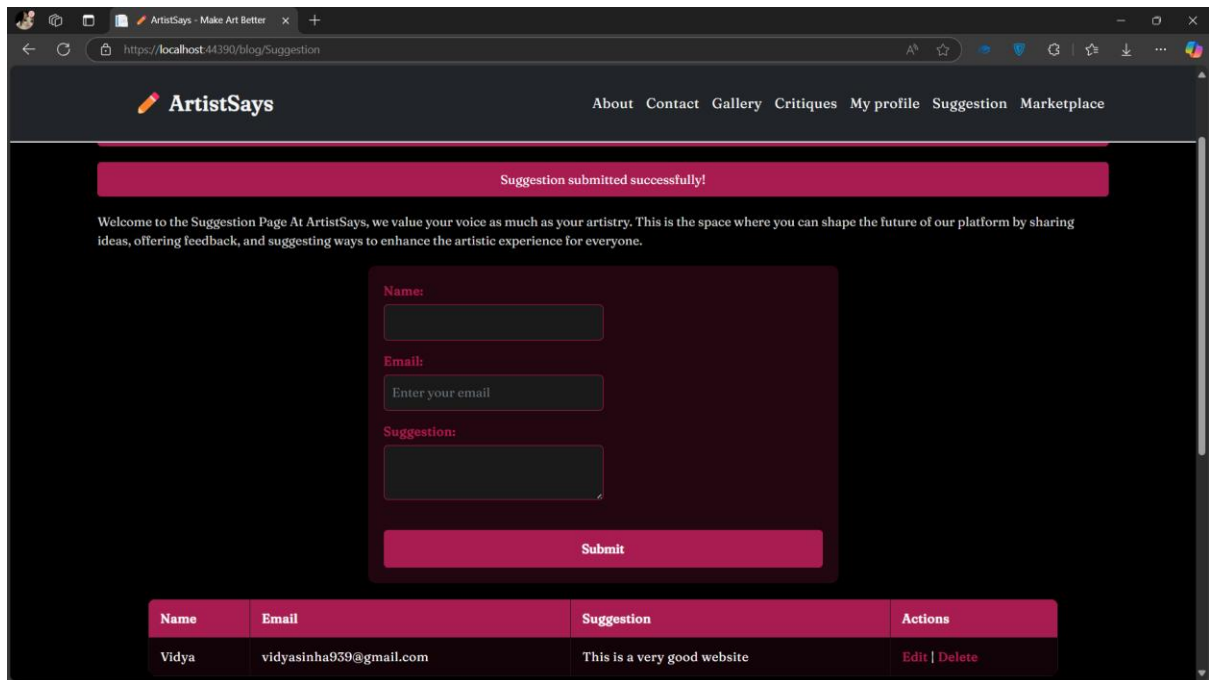

This screenshot shows the same 'Suggestion Form' page as the previous one, but with data entered into the form fields. The 'Name' field contains 'Vidya', the 'Email' field contains 'vidyasinha939@gmail.com', and the 'Suggestion' field contains 'This is a very good website'. The 'Submit' button remains at the bottom of the form. The table below the form is still empty.

## ASP.NET MVC Project DOCUMENTATION

The screenshot shows the 'Suggestion' page of the ArtistSays application. At the top, there is a navigation bar with the 'ArtistSays' logo and links to 'About', 'Contact', 'Gallery', 'Critiques', 'My profile', 'Suggestion', and 'Marketplace'. A green banner at the top of the main content area displays the message 'Suggestion submitted successfully!'. Below this, a welcome message states: 'Welcome to the Suggestion Page At ArtistSays, we value your voice as much as your artistry. This is the space where you can shape the future of our platform by sharing ideas, offering feedback, and suggesting ways to enhance the artistic experience for everyone.' The central part of the page features a form with three input fields: 'Name:' (containing 'Vidya'), 'Email:' (containing 'vidyasinha939@gmail.com'), and 'Suggestion:' (containing 'This is a very good website'). A green 'Submit' button is located below the form. At the bottom, a table lists the submitted suggestion.

Name	Email	Suggestion	Actions
Vidya	vidyasinha939@gmail.com	This is a very good website	<a href="#">Edit</a>   <a href="#">Delete</a>

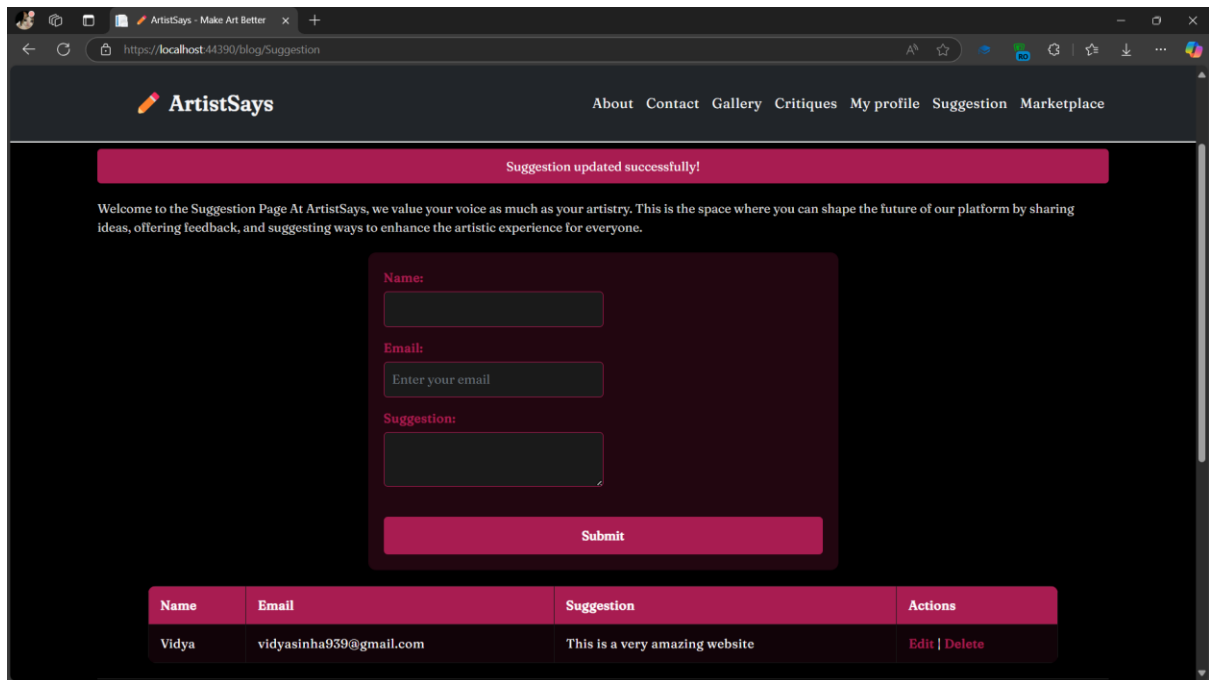

## Update

The screenshot shows the 'Edit Suggestion' page of the ArtistSays application. The navigation bar is identical to the previous page. The main content area has a heading 'EDIT SUGGESTION'. Below the heading is a form with three input fields: 'Name:' (containing 'Vidya'), 'Email:' (containing 'vidyasinha939@gmail.com'), and 'Suggestion:' (containing 'This is a very amazing website'). A green 'Update' button is located below the form.

## ASP.NET MVC Project DOCUMENTATION

The screenshot shows a web browser window with the URL `https://localhost:44390/blog/Suggestion`. The page has a dark theme with a pink header and footer. The header contains the "ArtistSays" logo and navigation links: "About", "Contact", "Gallery", "Critiques", "My profile", "Suggestion", and "Marketplace". A pink banner at the top of the main content area displays the message "Suggestion updated successfully!". Below this, a welcome message reads: "Welcome to the Suggestion Page At ArtistSays, we value your voice as much as your artistry. This is the space where you can shape the future of our platform by sharing ideas, offering feedback, and suggesting ways to enhance the artistic experience for everyone." The form contains three input fields: "Name:" (with a pink border), "Email:" (with a placeholder "Enter your email"), and "Suggestion:" (a larger text area). A pink "Submit" button is positioned below the form. At the bottom, a table lists the submitted suggestion.

Name	Email	Suggestion	Actions
Vidya	vidyasinha939@gmail.com	This is a very amazing website	<a href="#">Edit</a>   <a href="#">Delete</a>

## Delete

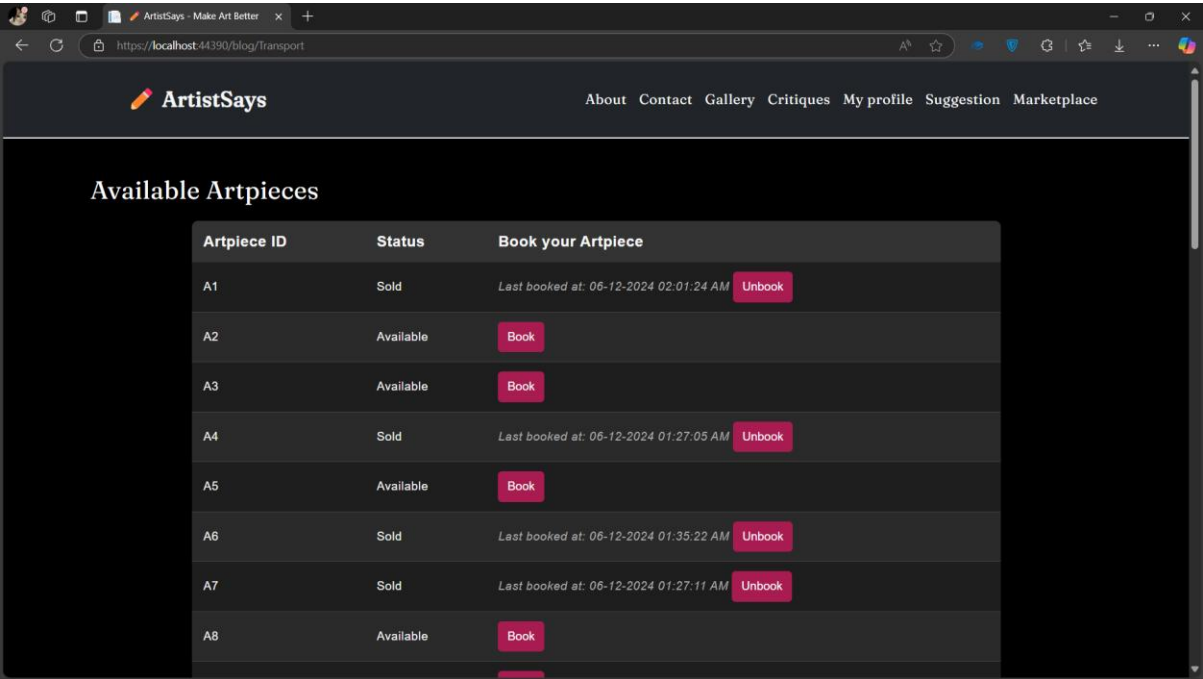

The screenshot shows the same web browser window as the previous one, but with the message "Suggestion deleted successfully!" displayed in the pink banner. The form and the table below it are identical to the previous screenshot, showing the suggestion for "Vidya" with the email "vidyasinha939@gmail.com" and the text "This is a very amazing website".

Name	Email	Suggestion	Actions
Vidya	vidyasinha939@gmail.com	This is a very amazing website	<a href="#">Edit</a>   <a href="#">Delete</a>
